These designer apartments offer the style and comfort you'd expect from this premier location in Covent Garden, close to Leicester Square and vibrant Soho.

Choose from one and three-bedroom apartments, all brightly furnished and well-equipped with sleek kitchens and modern bathrooms. Or treat yourself to an amazing 133 square-foot, three-bed penthouse, where you can enjoy a drink at the breakfast bar or take in the buzz of London-life from your private terrace.

There's no need to jump on a tube or bus to catch a West End show because the theatres are on your doorstep. As are some of the hippest restaurants, bars and shops that London has to offer.
